IMPACS

Please provide a brief summary of your project (150 word max)

I am using natural language processing techniques to build a collection of information about scientists who lived and worked in Wales from 1804 onwards, from a newspaper collection made available by the National Library of Wales, and building a website so that this information may be publicly accessible.

Where appropriate, do you have consent for the publication, reproduction or use of any unpublished material?

Yes

Will appropriate measures be put in place for the secure and confidential storage of data?

Yes

Does the research pose more than minimal and predictable risk to the researcher?

Not applicable

Will you be travelling, as a foreign national, in to any areas that the UK Foreign and Commonwealth Office advise against travel to?

No
